Dear Ampro User,

We are pleased to announce the first AMPRO user's bulletin board. It is operational 24 hours a day, and may be reached at (408) 258-8128. You may use either 300 or 1200 baud. The intent of the bulletin board is to provide a focal point for the dissemination of public domain software, and to encourage AMPRO-related hardware and software applications information exchange. The bulletin board is not officially owned or operated by AMPRO, but is provided and maintained by AMPRO users for the benefit of AMPRO users.
